

### **INTERVIEW SUMMARY**

A telephonic interview was held between Applicants' representatives Mr. David Osborne and Mr. Scott Smith, and the Examiner on October 30, 2008. During the telephone interview the rejections of record as well as the Applicants amendments submitted on October 22, 2008 were discussed. The further amendment of the claims to include a limitation regarding the rate of release of the drug within the first two hours was discussed as well as the support the proposed amendment. Applicants agreed to submit the proposed amendment regarding rate of release of the drug for the Examiner's review and consideration.
